

# THE ULTIMATE *Girls Trip*

## Day 1

### RETREAT TO THE WARRIOR'S LEGENDARY ELEGANCE

Stay, play, and pamper yourself amid the upscale classic vibe of the Warrior Hotel.

An elevated blend of past and present, the **Warrior Hotel** is a local landmark that promises an upscale stay that is as convenient as it is luxurious, delivering an experience they refer to as “Hipstoric™.” Careful restoration to its chic Art Deco roots gives the Warrior a nod to the Golden Age, but each suite has been dressed up in all modern necessities, from high-speed WiFi to in-mirror TVs in the bathroom. There’s even a pet package so the girls can bring their fur babies along for some me-time.

Once the group is settled into their rooms, it’s time for some serious rest and relaxation, Siouxland style. Don’t worry—you can visit one of the best spas in the city without ever leaving the Warrior. **Two Finches Spa** is onsite and ready to ease away your everyday aches with an invigorating massage, some time in the sauna, or a soak in their hot tub. Book a facial and pour out the bubbly to kick off your journey to rejuvenation.

When your crew is looking and feeling their best, keep the party rolling by bowling a few games at the hotel’s **War Eagle Lanes**. Keeping with the hotel’s opulent ambiance, you can expect an elevated game with luxurious seating, a full bar, and six lanes to accommodate the whole girl gang. Grab a pizza and wings, kick back, and enjoy bowling on a whole new level.

It’s time to close out your first getaway day in Siouxland with a trip upstairs to the **Crown Rooftop Bar** for a cocktail that’s elevated in more ways than one. Take in breathtaking panoramic city views while you enjoy tasty snacks and select your perfect sip from an array of crafted and classic cocktails.

## HEY LADIES, THIS ONE’S FOR YOU

Welcome to Siouxland, where grabbing the girls and getting away means a weekend of luxe accommodations, delicious eats, and endless entertainment. Shop, dine, and treat your crew to some epic cocktails, all while getting a little escape from the daily grind.

## Day 2

### SAVOR, SHOP, AND EXPERIENCE WORLD-CLASS ENTERTAINMENT

Nothing says girl time like a delicious lunch, a little shopping, and a rock 'n' roll evening to remember.

Treat your girlfriends to a true taste of the Heartland by grabbing brunch or lunch on **Historic Fourth Street**. Explore your options in this charming downtown neighborhood, where flavors are varied and local eateries are woven into the lovely 19th-century architecture it's known for. Bring your appetite over to **Bistro on 4th** for brunch, complete with mimosas, pancakes, and chef-curated omelets, or try lunch at **SoHo Kitchen & Bar** for clever creations like the Bison Chopped Philly or the SoHo Popper Topper Burger.

After fueling up on Fourth Street, take a shopping trip to the great outdoors at the **Farmers Market**. Small-town charm meets the big city twice a week from May to October with an open-air market that features exclusively homegrown or handmade goods ready to go home with you. Browse the carefully curated selection of crafts, artwork, and baked goods, and feel good about supporting local!

When the shopping is done, it's time for the girls to rock, and there's no better place than the iconic **Hard Rock Hotel & Casino**. The night is young, so give it a kickstart with a bite to eat from your choice of restaurants, from old-fashioned American fare to chef-crafted gastropub eats and more. Then, take lady luck out with the gals and hit the tables or slots, dance the night away to live music, and cap off the evening with some epic drink specials.

MARTO BREWING CO.

## Day 3

### TOP IT OFF WITH BREWS, BLENDS, AND THE BIG SCREEN

From adult beverages to a night at the movies, Siouxland has you covered.

The craft brew scene is booming in Siouxland, and it's the perfect place for the gals to grab a cold one. Check out eclectic flavors over 25 taps at **Marto**, including Mackey's Irish Stout and Boss Man Bock, or try the popular Slice of Galaxy double IPA or Polish Champagne Lager at **Jackson Street Brewing**.

If your crew prefers to relax with a glass of wine, you'll find the right varietal for everyone at **Oscar Carl Vineyard**. Quaint, warm, and welcoming, this winery is set in the beautiful Woodbury County countryside near downtown Sioux City. Its striking views set the scene for its impressive wine menu. Fans of bubbly wines will want to try Yaci & Yill, while those with a taste for a drier grape blend should check out the Uncle Tony white or the Aunt Billie red.

When escaping for the weekend, why not escape into a movie? The **ACX Promenade** brings the big screen to Siouxland with all the newest and biggest Hollywood blockbusters right in town. In addition to buttery popcorn and a great flick, let your inner child run free at the arcade and close out the evening with upscale theater eats at the Backlot Pizza + Kitchen.
